# USING YOUR VOUCHERS WITH THE CLOTHING SHOP

Our Square website for the purchase of uniforms from the Clothing Shop during the back to school period is now open. This website provides a means for NSW Back To School Vouchers to be accepted where Qkr! does not.

Uniform items can also be purchased without vouchers from Square.

.

## SUBMITTING YOUR VOUCHERS

- Email the vouchers you wish to use to [npsclothingshop1@gmail.com](mailto:npsclothingshop1@gmail.com).
- Clothing Shop volunteers will redeem vouchers and email a **unique Clothing Shop discount code** that can be used for purchases via our Square site. Please remain patient and allow time for our volunteers to get back to you.
- If submitting multiple vouchers per child please indicate in your email if you require **individual discount codes to the value of \$50 each or the total value of vouchers submitted**.
- Please ensure that Back To School Vouchers that have been emailed to the Clothing Shop have not already been redeemed with another provider. **Discount codes will not be issued for invalid vouchers.**
- **Vouchers can not be used on Qkr! and can not be redeemed retrospectively for uniforms already purchased.**

## USING YOUR VOUCHERS TO ORDER UNIFORMS

- Vouchers can be used on all school items including hats and school bags, summer and winter uniforms.
- Plan ahead to maximise your discount - **one discount code per transaction.**
- Discount codes are **single use only.**
- If your order totals more than the value of your discount code, your code can be applied with the difference to be paid at checkout. Please ensure that you use the whole amount of your discount as any **difference if not spent is non-refundable.**
- Vouchers and discount codes are **valid until 30/6/23.**
- During Term 1 the Clothing Shop menu in Qkr! for our new uniform will remain closed. **Second hand items will remain on Qkr!**
