

9 March 2023

Dear Northmead Public School families:

World Down Syndrome Day

Lots of Socks

Tuesday March 21, 2023 is International Down Syndrome Day. It is a day to recognise that it is ok to be yourself and to celebrate the difference in others.

To recognise this day at NPS we are going to be wearing our most amazing, colourful or mismatched socks to celebrate **'Lots of Socks! on the 24th of March.'**

We will be learning about what Down syndrome is, what it means to someone that has it, and what we can do when we meet someone that may look, or do things a bit different to ourselves.

So, on the **24th of March**, bring a **gold coin donation** and wear your most individual, fantastic socks with your school uniform.

Let's show that being different is a good thing and something to be celebrated.

Money raised will be donated to Down Syndrome NSW to help support families and people of all ages who happen to have Down syndrome.

Look forward to seeing you rock your 'Lots of Socks'!

Thank you,
