

Parents and Grandparents of children starting kindy in 2017

Have you ever considered being a volunteer Ethics Teacher?

Northmead Public School Needs Your Help...

Ethics classes have been available at Northmead Public School for the last 3 years and during this time most children opting for Ethics have attended a class, but due to 2 volunteer teachers leaving at the end of 2016 and an increase in the number of children opting for Ethics, **we are unable to offer Ethics classes to 2017 kindy children unless we have more volunteers.** Ethics/Scripture for kindy students starts at the beginning of term 2 – this is enough time for new volunteers to train and be ready to teach. If you don't want your kids to miss out - volunteer now!

Volunteers commit to a 40 minute lesson every Thursday morning plus a little preparation time (during the school term only). You don't need to have experience as a teacher, just a willingness to lead children in discussion.

Ethics classes are small (around 15 students) and all Ethics Teachers are provided professional training and ongoing support. Extensive teaching notes are provided for each lesson.

Teaching children ethics is fun, challenging and very rewarding, get involved today!
