# Northmead Newsbreak ... Principal's Update

## WARAMI | Hello...Welcome!

Our school acknowledges the Traditional Custodians of the land upon Public School Burramattagal nation. We connection to was, always is

which Northmead was built upon - the people of the Darug honour their deep Country. Always and always will be.

We pay our respects to Elders past, present and emerging and extend that respect to all Aboriginal and Torres Strait Islander people. We ask all people that walk, work and live on traditional Aboriginal lands to be respectful of culture and tradition of Country. We also extend our acknowledgement of and respect to all First Nations people of the world who have always been the traditional custodians of their lands across our shared world.

## DEAR NORTHMEAD FAMILIES...

I am so pleased to have returned from my "knee hiccup" as from Term 4 at our wonderful school. Thanks to our students, staff and families who have welcomed me back so warmly. Your smiles and welcoming words have been greatly appreciated. **And** we've arrived at our final term for 2023 and Year 6's last year at Northmead and their primary school journey.

Whether you have been a NPS student since Kindergarten, or you arrived later in your school life here, we wish you all a memorable and very happy Term 4. We know the memories you have made at Northmead will stay with you throughout your life. We hope we have brought smiles to your heart, learning to your life and built you into the best version of yourself...so far!

When writing my report to the P&C for the next meeting, I was in awe of the number of opportunities that were made available to our students in class, in and outside of school. My thanks to every teacher and support staff member, our families who support our school and the massive organisation involved to make these events happen. What an amazing school we enjoy together!

## ARE YOU MOVING AWAY IN 2024? PLEASE TELL US NOW!

School organisation is ready for 2024 class planning and staffing organisation. We ask that **families with students in Kindergarten - Y5 who already know they will not be returning to Northmead P.S. in 2024, please tell the school by phone or email as soon as possible.**

Teacher/class number entitlements and class planning is all based on our student enrolments which need to be as accurate as possible. **Thank you.**

## STAFFING NEWS

The families of 2H were informed on 10 October that our wonderful Ms Horvath had her service transfer to another school actioned and will commence there as of Monday 6 November. Her last day @NPS is Thursday 2 November. I know we all have mixed emotions about this news. We wish Ms Horvath every happiness to start a new career journey whilst we shed a tear that she will soon be no longer be part of our current Northmead P.S. team. Ms Horvath has given so many amazing years of dedicated teaching and devotion to the students, staff and families of Northmead. We will share more in our next Newsletter as we say our farewells to her then.

In addition, Ms Fulop (who is now Mrs Fordham) who has been teaching at another school in 2023 has also gained a service transfer effective this term and will not return to Northmead. We also wish her much happiness and success at her new school location. I will inform our families soon on new staff to join NPS from 2024.

## PRINCIPAL'S "P.S."

On returning to NPS and reflecting on changes in Term 4 through to 2024, this seemed the right quote:

**"WHAT HAPPENED YESTERDAY IS HISTORY.  
WHAT HAPPENS TOMORROW IS A MYSTERY.  
WHAT WE DO TODAY MAKES A DIFFERENCE - THAT'S  
WHY IT IS CALLED THE PRESENT."**

*I look forward to chatting with you in our next Northmead*

*Newsbreak ... Mrs Anne Ezzzy (Principal)*

## WHAT'S AHEAD @NORTHMEAD?

### SELECTIVE HIGH SCHOOL 2025 APPLICATIONS CLOSE 20 NOVEMBER

Applications for 2025 Year 7 SHS opened **9 October** and close on **20 November 2023**. An **information brochure** and **"Intention to Apply" letter** was sent to all families of Year 5 students on **11 October**. An intention to apply sent to the school is not an application. Applications **MUST** be completed on-line by parents. Please request an additional information pack if needed.

### 2024 CLASSES | PARENT REQUESTS IN WRITING ONLY

Parents/carers are welcome to provide written information by letter to my attention or by emailing the school: [northmead-p.school@det.nsw.edu.au](mailto:northmead-p.school@det.nsw.edu.au) ... with attention to Mrs Ezzy ASAP but no later than: **Friday 10 November**. The information you wish to provide us may be about specific considerations or information about your child/children you would like the school to be aware of when forming 2024 class placements. It is not about "choosing a teacher". Your student/family information may include their social and emotional needs, friends you feel they need to continue to be with to support their wellbeing and progress, exceptional academic ability, behaviour and/or past relationship issues that you feel have impacted your child/children.

There are no guarantees all considerations can be acted upon. But they are all read, considered and respected. The Executive, teachers and I always plan each class aiming for the best educational/wellbeing outcomes for every child. Parent requests for changes of their child's class will generally not be considered once classes are in place in 2024. Any concerns will always be listened to. We commit considerable time in forming the structure of students, teachers and class organisation for each year. **Thank you for your help and understanding.**

### COLLABORATIVE. RESPECTFUL. COMMUNICATION

Please find attached the **School Community Charter** which outlines the responsibilities of parents, carers, visitors, educators and school staff in NSW Public Schools. It has come to my attention that some parents have been openly rude, quite loud and aggressive to our school Admin staff, sometimes when other children are present. Unacceptable behaviour has no place in our school community. Please ensure all communication is respectful with all members of our school team.

### 2024 KINDERGARTEN ORIENTATION

Please make sure you have read all the information about your child's days to join us at school and the family information available, in the first session on Wednesday 25 October in the School Hall (**see infographic below**).

# School Community Charter

 **Collaborative. Respectful. Communication.**

The following School Community Charter outlines the responsibilities of parents, carers, educators and school staff in NSW public schools to ensure our learning environments are collaborative, supportive and cohesive.

## What our schools provide

NSW public schools work to create positive environments for students, staff and the entire school community that support student learning. We strive to ensure that every student is known, valued and cared for.

**The best education happens when parents and schools work together.**

The School Community Charter aligns with the NSW Department of Education Strategic Plan 2018 – 2022.

## Positive environments

It is important that our NSW public schools are positive environments and that parents and carers are kept informed of students' progress and school announcements.

Parents and carers can expect:

- To be welcomed into our schools to work in partnership to promote student learning.
- Communication from school staff will be timely, polite and informative.
- Professional relationships with school staff are based on transparency, honesty and mutual respect.
- To be treated fairly. Tolerance and understanding are promoted as we respect diversity.

We treat each other with **respect**

We **prioritise** the wellbeing of all students and staff

**Unsafe behaviour** is not acceptable in our schools

We work **together** with the school

**Ensuring respectful learning environments for all members of NSW Public Schools communities.**

We create  
**collaborative**  
learning  
environments

We  
all play  
**our part**

We work  
**in partnership**  
to promote  
student  
learning

## Communicating with our schools

Our staff will find a time to talk to you when they can give you their full attention. Please remember that while our staff are in class or dealing with other matters, they may not be available to answer your questions immediately.

Our schools and communities will make sure that written communication is appropriate, fair and easy to read. We encourage you to use email and social media appropriately to connect with your school and stay up-to-date with up-coming events in the school community.

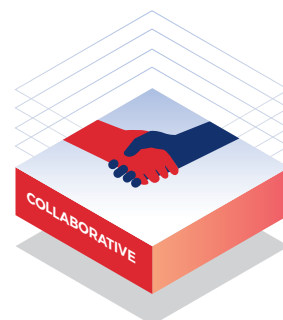

Our guide for parents, carers and students provides useful information about the complaints process:

[education.nsw.gov.au/about-us/rights-and-accountability/complaints-compliments-and-suggestions/guide-for-parents-carers-and-students](https://education.nsw.gov.au/about-us/rights-and-accountability/complaints-compliments-and-suggestions/guide-for-parents-carers-and-students)

## Respectful communication is a right

In all workplaces people have the right to feel respected. Unacceptable and offensive behaviour has no place in our school communities.

To ensure the wellbeing of students, staff and the community in our schools, steps will be taken to address unacceptable behaviour. This may include restricting contact with the school community or, in more serious cases, referral to NSW Police.

### Unacceptable behaviour may include but is not limited to:

- Aggressive or intimidating actions, such as violence, threatening gestures or physical proximity.
- Aggressive or intimidating language, including the use of obscenities, making sexist, racist or derogatory comments or using a rude tone.
- Treating members of the school community differently due to aspects such as their religion or disability.
- Inappropriate and time wasting communication.

**Collaborative.**  
**Respectful.**

Dear Northmead Public School families:

**Intention to apply for Year 7 placement in a selective high school in 2025**

Selective high schools cater for academically gifted students with high potential who may otherwise be without sufficient classmates at their own academic standard. Selective high schools help these students to learn by grouping them with students of similar ability, and by using specialised teaching methods.

If you would like to have your child considered for Year 7 selective high school entry in 2025, you need to apply on the internet using a valid email address (not the student's email address).

**The Selective High School Placement Test will be held on Thursday 9 May 2024.**

Detailed instructions on how to apply and the link to the online form will be sent home via School Bytes or by visiting <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>.

**Applications open on 9 October 2023 and close on 20 November 2023. You must apply before the closing date.**

You must submit only ONE application for each student.

**The tear-off slip below is NOT an application and the school CANNOT apply on your behalf.**

**THIS IS NOT AN APPLICATION FOR ENTRY TO A SELECTIVE HIGH SCHOOL.**

This is a notice to your primary school only that you intend to apply.

TO APPLY FOR PLACEMENT YOU WILL NEED TO REGISTER YOUR EMAIL AND THEN SUBMIT AN APPLICATION THROUGH THE ONLINE FORM ON THE HIGH PERFORMING STUDENTS WEBSITE:

# Community Corner

As the weather is so unpredictable at the moment it is a timely reminder to check your child's clothing to ensure it is labelled with their name and it is still readable. At the end of last term four garbage bags of clothes were collected from around the grounds and washed and if labelled, returned to the children. I have a collection of clothes from the mufti days in my office so if your child has lost an article of clothing, please email the school describing the item, mark it to my attention and I will check the collection.

Lunch club has been a huge success during lunchtimes Tuesday to Friday. It is held in the new NOOSH building. The children have the opportunity to play with a huge collection of Lego donated by Goods360, games, crafts and colouring in purchased by the school. The most popular activity at the moment is Loom bands and colouring in, so if you have any of these items at home and your children no longer use them please consider donating them to lunch club we would be very grateful.

Thank you kindly,

Mrs Anne Carmichael

NPS Community Engagement Officer

## School Student Travel

### Term 4 2023

#### 2024 school travel applications are now open

Students who need a new or replacement School Opal card or travel pass for 2024 can [apply](#) now. A new application will need to be submitted if they are applying for the first time, or if they are requesting an additional travel entitlement because of a new shared parental arrangement (e.g. joint custody).

Students who change address, school, campus location, have repeated a year or received an expiry notification for their school travel entitlement should [renew or update](#) their details **before the end of term 4**. This will ensure that schools can endorse applications, and travel passes remain valid for the start of the 2024 school year. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade (i.e. grade two to grade three), the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), we will send an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2024.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

#### Changes to your bus service provider

Within Greater Sydney, a number of bus service providers have changed their names.

Parents intending to lodge an application for a School Opal card will need to visit [transportnsw.info trip planner](https://transportnsw.info/trip-planner) to obtain the correct bus operator name servicing your area prior to lodging an application.

#### Travel from Term 1 2024

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for 2024 School Student Transport Scheme (SSTS) travel open at the start of Term 4 2023, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a busy period for local transport operators, and students travelling without a valid ticket make service planning and operations difficult.

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Students using School Opal cards are also reminded that they must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).

Further information can be found at [Plan your trip to school | transportnsw.info](https://transportnsw.info/plan-your-trip-to-school)

Enquiries can be submitted at [Fares, concessions, tickets & top-up feedback | transportnsw.info](https://transportnsw.info/fares-concessions-tickets-top-up-feedback)

REFERENDUM DAY BBQ & CAKE STALL

## GARDENING CLUB

Our school holiday working bee was a bit quieter than usual, but we still had a solid crew of volunteers ready to pitch in and get things done in the garden. The kids loved the mud that was made when the retaining wall was put in. Our irrigation piping was laid and we tried to get the stink bugs under control.

Some of our harvested crops and seedlings were sold at the cake stall on Referendum Day.

We are looking forward to our next gardening club on **Thursday, 2 November**. All are welcome. We would love to see new faces in the garden.
