4th April 2024

Northmead Newsbreak... ...Our Compass Calibration.

WARAMI

Hello...Welcome! Our school acknowledges the Traditional Custodians of the land on which Northmead P.S. was built: the Burramattagal people of the Darug nation. We honour their deep connection to Country. Always was, always is and always will be. We pay our respects to Elders past, present and emerging and extend that respect to all Aboriginal and Torres Strait Islander people. We ask all people that walk, work and live on traditional Aboriginal lands to be respectful of culture and tradition of Country. We also extend our acknowledgement of and respect to all First Nations people of the world who have always been the traditional custodians of their lands across the world.

NAPLAN

Over the past few weeks, we have seen Years 3 and 5 students sit the final test involved with NAPLAN. As always, I am very proud of our boys and girls and their due diligence in sitting the tests which will provide further information to our school.

Thank you to Mr Gorrie and our Years 3 and 5 teachers for their care and calmness in supporting all our students and preparing them to do their best. Results from NAPLAN will come out later in the year.

WELCOME NEW STAFF MEMBERS

It is with great pleasure that we welcome 3 new staff members to NPS all commencing Week 1 next Term. Mrs Candice Mamet was the successful candidate in the teaching panel that Mr Gorrie conducted. Mrs Mamet is currently teaching at Baulkham Hill North PS.

We also welcome Mrs Alyssa O'Neil who will be joining our teaching staff in Term 2.

Mrs Ezzy recently convened another merit panel a few weeks go for the School Admin. Manager position left vacant by Mrs Vicki Kennett. I would like to congratulate Mrs Tracy Nascimben who was the successful applicant. Mrs Nascimben will start in the SAM role next term.

ATTENDANCE

Planned travel and school holidays.

As we head into the end of term it remains important that your child attends school every single day. Being at school is the best place for students to learn as well as to keep social connections and build life-long skills. We understand that families are eager to see and reconnect with loved ones and take a well-deserved break, but please remember that planned travel should only be taken during scheduled school holidays.

Students should be at school every day during school terms, including until the end of term, unless they are sick or are absent for a justified reason. Missing a day here or there may not seem like much, but absences add up and can negatively impact your child's learning and wellbeing.

When your child misses one day per fortnight, that's 4 weeks of missed learning in one year. Over an entire school journey this adds up to 1 year of lost learning. We want to do everything we can to help all students be at school every single day, because every day counts.

Every Day Matters

Harmony Day 2024

Harmony Day on Friday 22nd March was a wonderful celebration of our culturally rich and diverse NPS community. Thank you to all of our staff, students, families, carers and community members who made this such a successful day.

Many thanks to you all! Mrs Melanie Fletcher (EAL/D coordinator)

Here are some of the things that we were involved in on the day

Students enjoyed participating in activities about Harmony Day and different cultures in class.

A sea of orange, which is the colour of Harmony Day, was visible throughout the school.

Delicious food was prepared by our fantastic canteen, thank you to Michelle and her team!

Jai Pittman shared a 'Welcome to Country' and a Smoking Ceremony with us.

Families and friends enjoyed a picnic lunch together.

Firstly, I would like to thank our very generous community. Over the past few months, we have received donations of bread, cheese and apples for children's lunches. Some parents of older children have donated premade easter hats they no longer needed so all children had a hat to wear in the parade. Another parent donated supplies for Easter hats that were made at lunch club. Some parents have donated games and craft supplies that their children no longer use.

I feel really supported by the community with these very generous donations. As I wish the Northmead School Community and their families a happy holiday can I ask if anyone is starting a cleanup over the holidays, please consider donating to the school's lunch club. We have lots of children with varying interests so any games or crafts i.e., loom bands or Scobie's would be greatly appreciated.

Thank you kindly,

Mrs Anne Carmichael

NPS Community Engagement Officer

If you are in The Grove shopping centre at Baulkham Hills please go in and support the shop that has supported us with their weekly donations of bread for breakfast club.

Dear Parent/Carer,

Intention to apply for Year 5 placement in an opportunity class in 2025

Opportunity classes are for primary school students who have high academic potential or who are intellectually gifted.

They provide an environment where students can learn and make friends with classmates of similar ability. This can benefit a student's academic progress and also their wellbeing.

Opportunity classes are offered in Years 5 and 6, with parents/carers applying in Year 4.

Students who are successfully placed will usually have to leave their current school to enrol in a school with an opportunity class for Years 5 and 6.

Opportunity classes are just one of the ways that we cater for our [high potential and gifted students](#).

Testing and assessment

Applications for opportunity class placement are considered on the results of the Opportunity Class Placement Test.

Students who wish to be considered for placement are required to sit the Opportunity Class Placement Test on
