PARENT RETURN TO SCHOOL INTENTIONS - 2 MINUTE SURVEY PLEASE COMPLETE BY MONDAY 11 OCTOBER

Dear Northmead Public School families:

We know you have received a lot of information about the intended staggered return to school across NSW and in LGAs of concern like Parramatta – with new changes being announced again today. The student return schedule announced this morning is:

- * **Monday 18 October | Kindergarten and Year 1**
- * **Monday 25 October | Years 2,3,4,5,6**

The NSW Department of Education has compiled a very quick **2-minute** survey for each school to share with their school community. The survey findings relevant for Northmead PS will be conveyed to me next week. I apologise for the quick turnaround, but given the new announcement only occurred this morning, this survey link was received by principals this afternoon. I would very much appreciate if you could find a couple of minutes to complete this survey **by Monday 11 October** so the Executive and I can prepare for the students numbers returning according to the dates above.

Thank you for your assistance as we prepare to welcome students back to face-to-face learning with COVID-19 safe plans in place for Term 4.

With kind regards ... Mrs Anne Ezzy | Principal
